List of Preparers

This document was prepared by the FHWA and VDOT, with assistance from a team of consulting engineers, scientists, and planners led by Vanasse Hangen Brustlin, Inc. (VHB). This team includes eleven firms as noted below.

Name	Experience	Responsibility
9.1 Federal Highway Administration		
John Simkins	7 years experience, BS Biology, MS Environmental Sciences	FHWA Environmental Project Manager
9.2 Virginia Department of Transportation		
Chris Collins	13 years experience, BS Biology, MS Biology	VDOT Project Manager
Loretta Markham	5 years experience, Environmental Studies, BS Conservation Biology	VDOT Deputy Project Manager
9.3 Consultant Team		
Vanasse Hangen Brustlin, Inc.		
Craig Eddy, P.E., PTOE	26 years experience, BS Civil Engineering	Consultant Team Project Manager
Jon Feinstein	25 years experience, BS Natural Resources, MCP Community Planning	Principal in Charge
Ruth Bonsignore, P.E.	21 years experience, BS Civil Engineering, MS Transportation	Traffic Task Leader/ Purpose and Need
Frank Bracaglia, P.E.	30 years experience, BS Civil Engineering	Environmental Task Leader/ Scoping/Tiering
Karin E. Ertl, AICP	16 years experience, BA Biology	Senior Planner/Environmental Documentation Leader

Name	Experience	Responsibility
Laura Castelli, E.I.T.	6 years experience, BS Civil Engineering	Purpose and Need/Traffic Forecasting and Analysis
David A. Cheeney, AICP	24 years experience, MPA Urban Planning	Rail and Transit Planning
Tim Davis, PWS	17 years experience, BS Forestry, Master of Forestry; Minor in Wildlife Biology	Wetlands
Charles Hutchinson	6 years experience, BS Integrated Science and Technology	Land Use, Agricultural Land, Hazardous Materials, Parks, Indirect and Cumulative Impacts
Brad Ketterling	9 years experience, MS Physical Geography	Natural Resources
Daniel Lovas	5 years experience, BS Civil Engineering	Traffic Forecasting and Analysis
Tom Wholley	30 years experience, BS Civil Engineering	Air Quality and Energy
Coastal Carolina Research		
Loretta Lautzenheiser	25 years experience, MA Anthropology	Historic Properties
Maral Kalbian	15 years experience, MA Architectural History	Historic Properties
Bill Hall	6 years experience, BA History	Historic Properties
Dane Magoon	6 years experience, MA Anthropology	Historic Properties
Gannett Flemming		
Richard Clifton, P.E.	18 years experience, BS Civil Engineering	Traffic Analysis
Hill Studio		
David Hill, L.A.	20 years experience, MA Landscape Architecture	Visual Resources
Evelyn Slone, AICP, LEED, AP	25 years experience, MA Public Administration	Visual Resources
Intermodal Engineering P.C.		
Valerie J. Henschel, P.E.	21 years experience, BS Civil Engineering, MBA	Traffic Data Collection
Jack Faucett and Associates		
Michael Lawrence	31 years experience, BA Economics, MBA Finance/Applied Economics	Freight Diversion

Name	Experience	Responsibility
Johnson Mirmiran and Thompson		
Darel L. Fischer, P.E.	18 years experience, BSCE	Roadway Engineering
McCormick Taylor Associates, Inc.		
Rich Butala	18 years experience, BS Environmental Resources Management	Public Involvement and Comments and Coordination
John Mullen, AICP	8 years experience, BA Communications	Public Involvement
Stephen Nieman, AICP	22 years experience, MA Regional Planning	Public Involvement
Brennan Snyder	8 years experience, BA Environmental Science, BA Geology	Public Involvement and Comments and Coordination
Post Buckley Schuh & Jernigen		
Jim Evans	30 years experience, BS and MS Civil Engineering	Tolling
Neil Freschman	19 years experience, BS Civil Engineering, MBA	Tolling
Dave Metcalf	27 years experience BS and MS Civil Engineering, MBA	Tolling
RKG, Inc.		
Russell Archambault	19 years experience, MURP Economic Development	Social and Economics
Kyle Talente	6 years experience, MCP Economic Development	Social and Economics
Straughan Environmental Services, Inc.		
Eileen Straughan	22 years experience, BS Natural Resources Management	Noise/Natural Resources (Rail) /Threatened and Endangered Species
Leyla E. Lange	13 years experience, MS Marine Estuarine Environmental Sciences	Natural Resources-(Rail)
Steve Quarterman	5 years experience, MEM Resource Ecology/Conservation Biology	Noise/Natural Resources (Rail)
Russell Ruffing	17 years experience, BS Environmental Resource Management	Natural Resources (Rail) / Endangered Species
Maureen Wingfield	5 years experience, BS Biosystems Engineering	Noise
